A membership with the Humane Society of Cambria County means you care!

You support the efforts of a no-kill animal shelter and make it possible for HSCC to promote spaying and neutering as the most effective means of pet over-population control. Your membership dues go directly to the operation of the Shelter and the care of the once homeless animals living there. Without our members, we could not continue to operate the Shelter, nor could we promote our work of educating the public on proper companion animal care. Thank you for helping HSCC! "One at a time, we will make a difference!"
